Street Outreach and Stabilization Referral Form

Street Outreach and Stabilization (SOS) is a partnership between the Canadian Mental Health Association and Alberta Health Services. It is an intensive outreach program providing assessment and short-term case management for adults experiencing homelessness and mental illness. The team will work to provide support and advocacy to improve access to housing, mental health services, primary care, addiction treatment, financial assistance, and community support services.

Eligibility criteria for this voluntary program:

- Homelessness AND
- Mental health concern (no formal diagnosis needed)
